### Enrollment Requirements

To apply for the course, complete and submit the Enrollment Agreement. Send the completed Enrollment Agreement along with the required registration fee to us. Please bring your completed medical statement for the programs required and photocopies of your previous certifications. Admission is taken on a first come first served basis up to and including the first day of the program.

**Registration Fee and Course Payment**

A \$100 registration fee is due at the time of submitting the Student Enrollment Agreement. The registration fee secures your place in the course and is credited towards your tuition. Prior to attending the program, books and materials must be purchased.

You have the option of paying the tuition costs: 1) In full prior to attending the program; or 2) paying a registration fee before the start of the program and paying the balance the first day of the program. PADI application fees and PADI IE fees are not included in the tuition or program fees and must be paid to the particular training agency at the conclusion of the appropriate segment of training.

**Cancellation/Refund Policy**

Should a student cancel enrollment or be terminated by the school for any reason, all refunds will be made as follows:

1. Request for cancellations must be made in writing to the school and given in person or by certified mail.
2. All monies will be refunded if AWS does not accept this Enrollment Agreement or the student cancels within 3 business days after signing the Enrollment Agreement and making the initial payment.
3. An applicant requesting cancellation after the 3rd business day, but before the first program date will result in a refund of all monies paid, with the exception of the registration fee.
4. Cancellation after attendance has begun but prior to 50% completion of the program will result in a pro rata refund prorated on the number of hours completed relative to the total program hours.
5. Cancellation after completing 50% of the program will result in no refund.
6. The termination date for refund computation purposes is the last date of actual attendance by the student unless earlier written notice is received.
7. A student can be dismissed at the discretion of AWS, for insufficient progress, non-payment of costs or failure to comply with course rules.
8. All refunds will be made within 30 days of cancellation or termination.
9. If AWS cancels any of the programs at any time, a full refund will be given to the student.

**Graduation**

A Certificate of Completion is awarded upon satisfactory program completion and all monetary obligations paid to AWS. AWS reserves the right to withhold the certificate for unsatisfactory attendance, unsatisfactory progress, or failure to adhere to course rules, or nonpayment of monetary obligations.

I have read, understand, and agree with this Enrollment Agreement.
